

## Professionalism you can trust

Our objectives are to provide you selective offerings, design support, product visualization and superior installation services. You Call We Install Flooring offers repair services for carpet,, hardwood, ceramic, vinyl, VCT, laminate and a multitude of commercial flooring products. In lieu of total replacements of costly products we can help you find a repair or restoration option. We offer free consultations and all of our installations are guaranteed for one year from the installation date. We offer installation times to suit your business needs 24 hours a day 7 days a week. Our staff is carefully screened , thoroughly trained, and equipped with quality installation products for each job. We specify the setting material and quantities that our installers use, ensuring you piece of mind that your installation is done right.

"We were very impressed with  
your prompt and courteous  
service. Our floors look better  
than ever. Thanks ."

Dr. Mary B. Neal

## Let us Introduce Ourselves!

*Flooring Installation Specialists serving  
the Charlotte Area for over 25 years*

You Call We Install installation is the culmination of the design process, not an afterthought. That's why each installation is managed in-house by a You Call We Install Pro, and not hired out to a contractor. We have the experience you can trust for a reliable and convenient installation that will have enduring beauty.

***We are with you every step of the way >>>***

Do you have questions about flooring? Our customer service team can guide you through the process of choosing and installing the perfect floor for your business. Whether it be repairing your existing floor covering or replacing it. If you are planning on buying a new floor, make sure you do your research first to find the right floor for the right price. We can help you get an estimate. All you have to do is answer a few questions about the dimensions of your room, the subfloor and the existing floor. Once the work is done our installation manager will conduct a final inspection of your new flooring— and then meet with you to answer any questions you might have including proper care and maintenance of your new floor.
